

1. Search Criteria – pops out with a reminder of what search criteria was used.
2. Printer Friendly - Displays the indexing information in a new window for printing.
3. Add Document Comment - Allows you to send a message directly to the Recorder's Office Staff regarding a document.

6. Previous and Next Buttons to navigate the documents within your search results list.
7. Two sets of Print and Save Buttons. Both sets of buttons function the same.
8. Document Zoom Controls – Buttons that allow you to modify the document view within the viewer window. Hovering over buttons will display a tag with that buttons particular function.

9. Navigation buttons for the website. Use these to go back directly to your results or search criteria screen. Avoid using the browser back/forward buttons.

The screenshot shows a document viewer interface. At the top left, there is a search bar with a 'Search' button and a 'History' dropdown showing '201600011830 EASEMENT'. Below the search bar are three numbered callouts (1, 2, 3) pointing to search criteria, printer-friendly options, and a comment button. The main left sidebar contains 'Instrument Info' with details like 'Instrument Status: Recorded and Verified', 'Instrument Type: EASEMENT', and 'Instrument Number: 201600011830'. It also has 'Book / Page: 2640 / 1357' with 'Prev' and 'Next' buttons. Below this is 'Marginal References' (No associated documents) and 'Names' (Grantor and Grantee lists). The central document viewer shows a document page with a large handwritten '19' in the top left, a recording stamp on the right, and a barcode at the bottom right with 'BK: 2640 PG: 1357'. The document title is 'FIRST AMENDMENT TO EASEMENT AND MAINTENANCE AGREEMENT'. The viewer has a toolbar with various icons for navigation and zooming. At the bottom, there is a 'Document Thumbnail Viewer' with several icons for document management. Callouts 4 through 11 point to these various UI elements.

4. Tabs show each of the indexed data categories.
5. Previous and Next Buttons to navigate the pages within the specified OR volume.
11. Document Thumbnail Viewer Buttons – Allows you to change the document and thumbnail view within the viewer window. Hovering over the buttons will display a tag with that buttons particular function.
