

Column Headers – Underlined headers indicate sortable columns. Click the header itself to sort the column and click again to change order (ascending/descending).

Add Selected to Queue – Add the selected documents to the print queue list for bulk printing.
Print Results – Print indexing data for the current search result page.
Print All – Print indexing data for every search result across all pages.

Back to Criteria – Takes you back to the main search criteria page. **Avoid using the browser Forward/Back Buttons**

Quick View – Displays search results with indexing data in a separate condensed window. Using Quick View will filter out duplicate results.

Search Results - Certified from 01/01/1993 through: 01/04/19

Plus Symbols (+) – Indicate additional information. Click the “+” to open a pop-out window containing additional data.

Prior Record Viewer – opens a pop out window containing the document details for the indexed referenced document.

Page Navigation Buttons – Go to a specific page or navigate through the pages in order using the arrows.

Selection Checkboxes – Select documents here to add to the Print Queue or to view them in the Document Details Screen.

Legal Tags – Click to open a pop-out window containing the document’s legal description information.
**Note* Legal Descriptions found here are auto generated by the system OCR function. The Recorder’s Office does not guarantee the accuracy nor the entirety of the legal descriptions listed under these tags. These are to be used for information only and you should always refer to the document itself for the full legal description.*

Document Status – displays the current document status.
